

TITLE OF THE PAPER
(Times New Roman, size 14, bold, centred)

Name and SURNAME of the author without titles
(Times New Roman, size 12, normal, centred)

Abstract: *Times New Roman, size 12, italic, justified.*

Key words: *Times New Roman, size 12, italic, justified.*

1 Introduction (Times New Roman, size 12, bold)

Your text will be here. (Times New Roman, size 12, normal, spacing 1.5, indent 1cm from the left, justified). Text must be divided into paragraphs. In the text do not use bold formats.

Quotation in the text will be expressed according to APA, version 6 as follows: Text of quotation (author, year of publication, or page), e.g. (Skalková 2007, p. 135). If the author's name is included in the sentence, in brackets are only year of publication, and page no. For information about the quotation source do not use footnotes or other ways.

See more details on:

<http://blog.apastyle.org/apastyle/2010/03/how-to-cite-direct-quotations.html>

In the same way you will continue in followed chapters.

2 Objective (hypothesis, research questions)

3 Methodology (project characteristics, research organization)

4 Results and discussion (procedure)

4.1 Further chapters

5 Conclusions (and eventually Acknowledgment)

6 References

This list may include only those titles that were quoted directly or indirectly in the text.
(Times New Roman, size 12, normal, spacing 1.5, indent 1cm from the left, justified)
